Mass transit is encouraged. The venue has arranged for parking services for a very limited number of folks on Prospect Street down the block from 55 Prospect Street on the left hand side. Look forward to seeing you there.

A practical question. Do they have parking available? Sheldon

## **Public Meeting on EPA's Passaic River Cleanup Proposal**

**Wednesday, May 7 @ 7:00 PM**

**Portuguese Sports Club, 55 Prospect Street, Newark, NJ**

On April 11, 2014, the U.S. Environmental Protection Agency announced a proposed cleanup to remove 4.3 million cubic yards of highly contaminated sediment from the lower eight miles of the Passaic River in New Jersey. The sediment in the Passaic River is severely contaminated with dioxin, polychlorinated biphenyls (PCBs), heavy metals, pesticides and other contaminants from more than a century of industrial activity. The EPA is proposing bank-to-bank dredging – one of the largest volumes ever to be dredged under the EPA's Superfund program – followed by capping of the river bottom.

The EPA will hold three public meetings to explain the proposal.

May 7, 2014 at 7:00 p.m.

Portuguese Sports Club

55 Prospect Street

Newark, NJ, 07105

May 21, 2014 at 6:00 p.m.

Franklin School auditorium

100 Davis Avenue

Kearny, NJ 07032

June 2014 in Belleville, New Jersey

Details to be determined

The cleanup proposal, fact sheets and other information are available at  
<http://www.epa.gov/region2/passaicriver/> and <http://ourpassaic.org>.
